	Item Status:	Status Date:
Bypassed - Item:	Flesch Certification	
Bypass Reason:	The Flesch Readability Certification requirement is not applicable because the Assumption Certificate is not a policy form subject to the requirement of Arkansas Statute 23-80-206. The policy form is not changing; the Assumption Certificate merely notifies the insured that the policy was assumed by United Security. In addition, Rule and Regulation 49 and A.C.A. § 23-79-138 are not applicable because the Assumption Certificate merely notifies the insured that the policy was assumed by United Security.
